Flying Club **Dance Tonite**

, Flying Club will be "flying high" tonight when they have their dance in the men's gym immediately after the Santa Clara Frosh-Hartnell game. Marion Walter, Jr., and his orchestra will play for the gala affair and a special door prize will be offered, according to Frank Armbruster, club president. Prices for the dance are, couples 75 cents and stags 50 cents.

Roy Taylor is in charge of the music and Gayle Shirle will do the decorating with her committee. Bill Maison will serve the refreshments. General chairman of the dance is Ben Marcus.

Student Leaders Return From Conference

After attending a three-day conference of 49 California junior col-leges, four Hartnell delegates were thankful for the fine type of student participation in all activities here at Hartnell. Wayne Ingols, McCallum, Roy Taylor, Gardner Pond, and advisor Mr. Jerry Girdner were the Hartnell representatives to the conclave held last Thursday, Friday, and Saturday at Arrowhead Springs.

Some of the topics discussed were: how to increase student participation in activities, student body elections, and athletics in general. Voting delegates from Hartnell College at the conference, sponsored by the California junior college student government group, were Ingols and Pond.

Keynote of the meeting was "The Challenge to Today's Leaders," and discussions at the conference were centered about this theme. Student leaders were reminded that it is those leaders who must act for the student body of the school, and their actions and decisions should be made with the student body as a whole to receive the ac tion of the decisions.

In conjunction with the J.C. con-(Continued On Page 2)

Business Students To Attend Confab

Five Hartnell students will attend the public accountants' meeting in San Francisco next Wednesday. Miss Ruth Rothrock will accompany the students. Those attending the meeting are Robert Foster, Dick Fry, Mildred Coe, Raymond Harder, and Evelyn Tem- is what Doctor Borough wrote on

The ten lovely ladies above are candidates for Hartnell's Homecoming Queen. Nominated last Friday at special clubs meetings, they are, top row, Sue Rycraft, Marilee Hubbard, Gerry Blair; second row, Elinor Schultz, Pat Lewis, Lillian Bassetti; bottom row, Marilyn Hendrix, Carol Storment, Laura Forsythe, Evelyn Dutra. Not available when the Sentinel photographer came around were Jackie Day, Jacque Gaudin, Pat Eldridge and Ada Kasje. For other pictures and club sponsoring each candidate, see page 3.

— Courtesy Salinas Californian

Homecoming Schedule Set

Homecoming activities begin today with the primary election of a queen to reign over Armistice Day festivities. Fourteen candidates, nominated last week at special club meetings, are competing for the much-sought-after honor.

Runoffs will be held sometime next week, and President George Miljanich will crown the winner at coronation ceremonies Thursday. Four runners-up will serve as Her Majesty's attendants.

The day's activities, under the

general chairmanship of Wayne Ingols, will begin with registration

9:00-11:00-Registration of alumni 1:30-12:30-Parade 1:00-3:30-Game with San Francisco C.C. 4:00-5:30—Barbecue 6:00-7:00-Reception, club exhibits 7:00-8:30—Class reunions, entertainment, Little Theater 9:00-1:00-Dance in men's

gym.

of alumni, followed by the tradi-tional parade of colorful floats down Main Street to the high school stadium, where Hartnell will meet San Francisco City College.

Alumni Barbecue

The alumni association is planning a barbecue after the game, which will be followed by a reception in the home economics lounge and club exhibits in the cafeteria wing.

Later that evening there will be class reunions and entertainment in the Little Theater. Last event on the program is a social activities dance in the men's gym and Richard Cimino, the evening's emcee, has sent out a call for talent.

"Centennial Theme"

At organizational meetings last Friday, some time was given to discussion of floats, which must carry out the "Centennial" theme of the parade. A commission ruling last week allowed clubs \$5 from commission funds, plus \$5 from the club's treasury, to decorate floats.

Dr. Borough **Back After Illness**

Dr. B. L. Borough, history instructor at Hartnell College, returned to his teaching duties Tuesrus pneumonia, which kept him home in bed.

Homecoming Day promises to be one of the biggest social events or the Hartnell calendar. With social activities commissioner WAYE IN-GOLS masterminding the proceedings, this year's affair is rapidly taking shape. ROY TAYLOR has the rather arduous and difficult task of handling the parade which will be complete with floats, bands, and the Hartnell Homecoming Queen. The queen contest should be a humdinger with 14 gals vying for the honor. I wouldn't dare hazard a guess as to the outcome and besides they won't let me. ALICE PAGE is chairman of the election committee. The committee will make certain that overenthusiastic students don't try to stuff the ballot box for their candidate. As if anybody would do such a thing.

Hartnell student body commissioners took a jaunt to Lake Arrow head last week to attend the state junior college conference. They claimed they conducted a business session but the folder telling of the wonders of the Lake Arrowhead resort makes the tale sound strange. The resort has a huge swimming pool, mountain ranges to climb, and even supplies mud baths as a beauty treatment. GARDNER POND, student body vice-president, claims he didn't take any mud baths but we are entitled to our suspicions.

GERALDINE BLAIR was the recipient of a rather warm greeting by Sentinel press photographer LEW PATTERSON. Now don't get me wrong. Seems Gerry was resting on a stool to have her mug shot when a spotlight planted by the insidious Lew started a small bonfire on her dress. Well, at least we'll have one "red-hot" candidate for queen.

Instructor VINCENT ANSELMO was rushing around madly the other day. Reason this wife was giving birth to a baby girl at the Park Lane Hospital. Mr. Anselmo was as jittery as a schoolboy on his first date, but he came through the ordeal quite satisfactorily. Monday he arrived at the college complete with the traditional box of cigars and a carton of Forever Yours candy bars to announce the arrival of his new born daughter, Elaine.

Fliers Obtain **Stinson Craft**

Option has been obtained by the Flying Club on a four-place Stinson Voyager plane that was underwritten by Mr. G. Darwin Peavy, October 7.

At present, the plane is being repaired in the Hartnell A. and M. repair shop under the supervision of Mr. Jay Hickenlooper, plane shop instructor. The motor is being tuned up and a damaged tail assembly repaired .

Mr. Hickenlooper is Civil Aeronautics authority representative and does all plane inspection work in this district. Thus, he is able to see that the repair work will meet C.A.A. specifications.

Flying Club has a 30-day option on the plane. If and when the club takes up its option, the cost for the plane as estimated by Mr. Hickenlooper will be \$1800 which includes repair expenses.

Commission Records Talent

Rally committee will continue ac ive in the spring semester ,and will plan and put on assemblies throughout the entire year, it was decided at Tuesday's commission

Sophomore Representative Roy Taylor suggested that the committee compile a file on all talented students, which can be used in planning assemblies.

Men's Club will be responsible for cleaning Hartnell's Panther when it is decorated by rival teams, commissioners ruled. This will relieve Mr. Tony Senko from the job of removing the "ornamentation," was pointed out.

Commissioner of Finance Evelyn Temmermand reported that so far this year income from football games totals \$4,686.42. Estimated income for the entire year is \$8,000, she stated

Bruce McCallum, men's repre-entative, suggested that commissioners sponsor a registration dance at the beginning of next semester to obtain funds to send student leaders to the Bakersfield conference in April. No action was taken.

Newman Club **Elects Officers**

Bob Cancellieri was elected president of the Hartnell College New man Club at a recent meeting. Other newly-elected officers of the group include: Harold Carota, vicepresident; Carol Johannes, secre-tary; and Frances Scilacci, treasurer

At the meeting the main speaker was the Rev. Patrick Deegan, who spoke of the significance of the Newman Club to Catholic students and urged the achievement of higher intellectual standards.

Cancellieri has urged all Catholic students to join the club and take part in all the activities sponsored by the group.

Committee chairmen elected at the meeting were Virginia Vierra, program; Wilma Brusa, publicity; and Bill Casalegno, Christmas dance. Approximately 35 members were in attendance

Radio Stations Air College Shows

"College Is the Life," half-hour program written and directed by radio drama students, goes on the air this afternoon at 5:05 p.m., over station KDON.

Directed by Mr. Hal Ulrici, the cast includes Richard Cimino, announcer; Phil Trine and Bill Walker, sports; Alice Page and Pat Pollock, social activities; Ralph Rowland, human interest; Frances Johnston and Gloria Scroggs, west coast universities Gardner Pond ,interview; Dick Rohrbacher, student director.

Members of the class are also undertaking a series of half-hour dramatic shows over station KSBW. First play, "David Garrick," was aired over the local station at 3 o'clock yesterday afternoon. Casting for the next production, the familiar tale of "Rip Van Winkle," will be held next week, and the show is scheduled for November 10. 'Tartuffe," a Moliere classic of the 17th century, will be given Novem-

Rally Group To Sell Pompoms

Rally committee will decorate the stadium for the Homecoming game and sell pompoms to rooters, Head Yell Leader Dewey Chambers an-nounced today. Maroon and gold pompoms will sell for 15 cents, Chambers said, and the committee needs help making them.

For the first time this year ,the committee is sponsoring a queen candidate and entering a float in the parade. "Tabby," too, will be on hand .

Chambers also announced that plans are being made to send a rooters' bus to Modesto November 18, and asked students to check the bulletin board for further details.

Ulrici Reveals Christmas Play Cast

Cast for "Everyman," Christmas production of Mr. Harold Ulrici's drama department, was announced vesterday.

William Kaas will appear as the Messenger and later as the Doctor. Other members of the cast in the order of their appearance are: Adonai, Ralph Rowland; Death, Richard Cimino; Everyman, Don LoPresti; Fellowship, Dean Stama-topoulos; Cousin, Marguerite Sander; Kindred, Jolene Brogdon; Goods, Phyllis Williams; Good Deeds, Jacquie Day;

Knowledge, Juledra Lewis; Confession, Ralph Rowland; Discretion, Jolene Brogdon; Strength, Claude Brogdon; Five Wits, Gloria Scroggs; Beauty, Frances Johnston; and two angels, Virginia Vierra and Dorothy Beeman.

Stage manager for the production will be Richard Rohrbacher.

The rest of the stage crew are: James Smith, sound effects; Phyllis Williams, prompter; Dean Stamatopoulos, makeup chairman; wardrobe, Virginia Vierra; and James Smith, properties.

Vote Today For Queen

Primary balloting on the Homecoming Queen election will take place today. The polls will be open until 4 p.m. There will be 14 candidates to choose from, and the students will be asked to mark five.

The five finalists will vie for the honor of reigning over the gigantic Homecoming Day proceedings. All four runners-up will act as the queen's attendants.

Final voting on the queen will be held next week. George Miljanich, student body president, will preside at the coronation ceremonies which will be held on Thursday, Nov. 10. The queen will then be introduced to the alumni and friends at the halftime of the San Francisco-Hartnell grid game on Armistice Day.

After the game is over the queen will be honored at the social activities dance planned for that evening. She will award the alumni trophy to the outstanding Hartnell player of that afternoon's contest.

Oaks Trounce Panthers 21-12 In Tough Contest

PANTHERS LEAD AT HALF TIME, 12-7 THEN FALL; MIYASATO INJURED

Last Friday evening in Salinas high's stadium, Hartnell's Panthers lost to a classy Menlo College eleven. The Panthers showed little of the fire that they displayed against the San Mateo Bulldogs. However, late in the second period the Panthers suddenly came to life and scored both of their

touchdowns in the space of four minutes to take a halftime lead of 7. Those tallies weren't enough for the Panther cause and the Oaks won going away, 21 to 12.

Hartnell was unable to move consistently on offense. The only bright spot in Hartnell's offense was the running of Fred Manteufel. Bill Walker, the Panthers' best running back earlier this season, returned to the lineup on offense and turned in several good jaunts around the Oak flanks. However, Walker was not running with his former elusiveness and power. When he does, the Panthers will be a much more potent team. Manteufel was the leading Hartnell ground gainer for the evening, and he scored the first Hartnell touchdown.

Hartnell's known weakness in the middle of the line was of immeasurable value to the Oaks. They poured through the gap left by the injured Ed Dysle. John Dobbel and Bob Roebuck performed well considering that they were shifted from tackle and given the task only last week, however, they were no match for the veteran Menlo line

Hartnell spotted the Oaks seven points early in the first period when they allowed them to score on their initial drive downfield after the kickoff.

After the opening score by the Oaks, the game was played with neither team having a large advantage until late in the half. Hartnell had the ball on the Oak 35 after having carried it from deep in their own territory. Fred Manteufel blasted through the Menlo line and out of the clutches of several tacklers to march into the Oak end zone with the ball. The conversion attempt by Frankie Paz was wide.

Panthers Lead at Half

Only seconds later Bob Swan pitched to Ken Dias on the 15. Kenny scored eight strides later and the joyous Panthers were ahead 12-7. Paz's conversion attempt was blocked.

The Oaks returned for the half and promptly liquidated the slim Hartnell lead. They scored one other touchdown which clinched

Hartnell's only casualty was Jimmy Miyasato, the powerful plunger, who suffered a sprained ankle in the middle of the second quarter. Miyasato may, or may not, play tonight, depending upon the condition of the ankle.

Burton Captain

Coach Elliott Wilson has announced that the game captain for this evening's encounter with the Santa Clara Frosh will be Bob Burton. Bob has been one of the team's best line backers this season and has developed into one of the best centers in the league.

Burton's constant improvement this season has been one of the few joys of Coach Wilson. Wilson is giving Bob this opportunity to captain the team this evening because of his fine defensive work against Menlo last Friday night.

GAME CAPTAIN

Shown above is Hartnell's game captain for this evening against the Santa Clara Frosh, Bob Burton. Bob has improved constantly since the start of the season and at present is one of the finest line backers in the league. Coach Wilson was well pleased with Burton's showing against the Menlo Oaks last Friday evening and has made him the game captain for this week's battle with the Santa Clara Frosh.

SANTA CLARA'S GIANTS HERE TONIGHT: PANTHER SPIRIT LOW

Tonight at 8:15 o'clock in S.U.H.S. stadium, Hartnell faces one of the strongest frosh clubs on the West Coast. Santa Clara's freshman team is the heaviest team that Hartnell will meet this year. Their line is one of gargantuan di-mensions averaging over 203 pounds per man, and the back-

CAGE SCHEDULE ROUGH, PROSPECTS **BRIGHT: ADAMS**

Coach Ed Adams has had his Hartnell hoopsters working out on the hardwood since early this semester. For the present the squad is to be divided into the Maroons and the Golds. The Golds will be the potential varsity while the Maroons will be the fellows who will have to prove themselves capable of handling a varsity squad berth. Coach Adams says that the schedule is rough and that it will take a good bunch of fellows to successfully complete it.

Hartnell's cage squad of this season has a wealth of material. Among those who are expected to play an important part in the Panthers' plans are Ed Macha, Wally Wong and Don Keeney. All were members of last year's cage squad. However, Wally Wong is playing football this fall and may not round into good basketball form before several games have been played.

Several new men to Hartnell are on the present roster. Among them are four of Pacific Grove's championship team of last season. They are Jim Tannahil, Bill Conlan, Don Weber, and Fred Wilson.

Another varsity prospect that is new to Hartnell is Oakland's Herb Withers. If these new squad members come through as is expected and hoped, the Panthers should be a threat despite the rough sched-

Coach Adams says that practices, having been held only twice a week, will be held every day from now until the first game.

Hartnell's rough schedule starts on November 25 with San Francisco Chinese and follows on the 26th with the U.S.F. Frosh. After that opening the Panthers follow with several more practice games that will all be played in the Hartnell gym. On December 13 the Panthers play Westmont College of Santa Barbara as the first game of a 5game road trip in Central and Southern California. On January 4 the Panthers travel to Modesto to compete in the N.C.J.C.C. tournament. On the week end of January 13 and 14 the Panthers take on the California Blues and San Francisco City College.

The remainder of the Hartnell schedule is taken up with conference foes. However, on February 7 the Panthers play a preliminary in the Cow Palace with Napa City College. Altogether, the Panthers cage crew plays 29 games. This does not include the tournament

field averaging over 182 pounds. Their starting lineup is: Mel Lewis, 175; Duane Louis, quarterback, 185; Joe McCarger, halfback, 188; Jack Kaplan, halfback, 181; Ken Nardinelli, end, 202; Walt Charrette, center, 197; Joe Ramona, guard, 201; John Lucena, guard, 206; Bill Payne, tackle, 197; Gale Sterling, tackle, 227; and Gern

Nagler, end, 193.

The Colts from Santa Clara employ a fast-opening T-formation that has plenty of impetus behind a big line. Under the direction of Coach Eddie Forrest, the Bronco Babes have won two and lost two games: Santa Clara 13, Stanford Frosh 27; Cal Poly 6, Santa Clara 22; and St. Mary's 20, Santa Clara

Santa Clara has a double threat in the terrific ball handling and passing of quarterback Duane Louis to end Gern Nagler, and the hard running back, Jack Kaplan. Against Stanford a touchdown was made by a 35-yard pass by these fellows, and a line plunge by Kaplan racked up the only other

Gale Sterling, tackle, is the older brother of Vern Sterling, the allcoast guard from Santa Clara, and has passed his twenty-seventh birthday. Bill Payne, tackle, is the younger brother of Tom Payne, first stringer for the Broncos.

At this time, the Colts have only one game scheduled after tonight's encounter. Their last game will be on November 11 against the University of San Francisco Frosh in San Francisco.

CITY COLLEGE ON ARMISTICE DAY

Former Panthers Make Good In College Sports

Pressley, Brown In National Spotlight

Former Hartnell College athletes have established themselves in fast collegiate and professional company. Reports regarding the Panther athletes disclose they are making their imprint on the national

Ed Brown, last season's "T" quarterback, currently holds down the first string left halfback slot for U.S.F. Brown's sterling work has been somewhat eclipsed by the presence of Ollie Matson. However, Matson recently stated that Brown was the most valuable player on the U.S.F. squad.

Norm Pressley, who served his apprenticeship at end on the Sali-Junior College team of 1944 under Coach G. Darwin Peavy, returned to his regular end position for the California Bears last week. Pressley, hampered by a knee injury earlier this season, caught sevpasses from Bob Celeri which helped the Bears continue their of November 18. This will be a 21/2-mile run before the Modesto U.C.L.A

Football is not the only sport in which the Panther graduates have displayed their ability. Bob Work and Dean Dillingham are two names highly regarded in track and field circles. Work, a former student body president here, ranked close to the top last season in the dash department on the Pacific Coast. He turned in a brilliant 9.7 in

the 100-yard dash several times last spring.

Dillingham heaves the javelin for the U.S.C. Trojans. He gathered points for the potent Trojans in meets against their western rivals. Dean took fourth in the P.C.C. meet last spring.

On the baseball diamond Don

Napoli and Tommy Perez carry the colors of Hartnell into battle. Perez played for the Visalia Cubs, batting .313 last season. He will move on to Decatur this spring. Perez' contract is held by the Chicago Cubs.

Napoli got a brief tryout with the Oakland Oaks before playing for the Salt Lake City Bees. Napoli is considered a topnotch major league prospect. His contract was bought by the San Francisco Seals last season.

These are just a few of the Hartnell College graduates who have made their presence felt in the sports scene

La Reata ...

(Continued From Page 1) card purchased before December 1 Cards may be obtained from staff members.

Freshman group pictures will be taken Wednesday, November 9, on the lawn north of the science wing.

PANTHERS MEET RAMS HERE; SAN FRANCISCO HAS DEPTH, POWER, HARTNELL THIN

Next Friday afternoon the teams of San Francisco City College and Hartnell College will meet in S.U.H.S. stadium College and Hartnell College will meet in S.U.H.S. Statishing at 1 o'clock. The game will be held on Armistice Day. This week end the S.F.C.C. Rams play East Los Angeles Junior College while the Panther tangle with Santa Clara Frosh.

In conference play the Rams have

Hartnell's First **Cross Country Team Formed**

Fans that watch the Hartnell-Monterey game will be able to see Panther and Lobo cross country runners compete. They are to start College eleven. The score was and complete the race in the stadium. This is the first cross country team that Hartnell has had in line when the final gun sounded. quite a few years.

Coach Ed Adams is priming several fellows for three meets this Ted Wittwer, Don Crum, Bill Temple, Ted Tucker, and Bud Chase. 20-13. Chase is a crackerjack 880-yard and miler who set some records while at Salinas high school .

The cross country boys first meet is with Modesto on the afternoon football game. This will undoubtedly be a rough meet as Modesto has had a cross country team for years and has always had some good boys.

Coach Adams' boys will enter their last meet at Cal Poly in the first week of December. It is to be an invitational for cross coun-

try running for all junior colleges.

Although Coach Adams would like to participate in more meets he stated that it is financially, im-

fared only a little better than the Panthers. They have won one conference game, lost one, and tied one. The Rams defeated the Menlo Oaks in their initial conference game, 20-14. In their next league encounter, the Rams were tied by an inspired Monterey Peninsula 13-13, but the Lobos from Monterey were on the S.F.C.C. 10-yard

Last week end the Rams were defeated by the San Mateo Bulldogs, 13-0. It was the same San year, These are Dave Delucchi, Mateo team that had played Hartnell only one week before and won,

In their two other outings this season, the Rams have won one and lost one. They beat the Cal Poly Freshmen, 26-0, in their opener at San Francisco. Later in their season the Rams were defeated by 21/2-mile run before the Modesto the strong Los Angeles City College eleven, 31-7.

The City College line averages 186 pounds per man, while the backfield weighs in at 165 pounds per man. The Rams are paced by Marv Crews ,Walt Jourdan, and Jerry Olmstead as far as the running attack is concerned. Al Nethercutt and Frank Puckett take care of the passing and receiving de-

Friday afternoon.

By PHIL TRINE

Injuries continue to plague the Hartnell College Panthers. Jim Miyasato, hard-driving fullback, was added to the disabled list last Friday. Coach Elliott Wilson seems to have no end of trouble. With Ed Dysle and Loren Green both out, the Panthers have had to dig deep to find adequate replacements. It was known when the season started that reserves would be a problem, and these injuries haven't helped the situation a bit.

In this day of the two-platoon system it's difficult to find any player remaining in the contest for 60 minutes. However against Menlo last week the Panthers used three linemen the entire game. Bill Key, Bill Whited, and Bill McGuire were all called on to pull the iron man stunt. Bob Burton stayed in close to 55 minutes. It's no wonder the boys get a little fatigued at game's end.

San Mateo took over the top spot in the N.C.J.C. Southern Division race by blanking the San Francisco City College Rams, 13-0, last Saturday. Menlo remains as the last obstacle in the Bulldogs' road to the crown. Stockton, the most improved squad in the circuit, received a 13-0 drubbing at the hands of the powerful Pasadena College eleven.

Monterey boosted Southern Division prestige by nipping the Yuba Junior College eleven, 21-20. Yuba, a Northern Division entrant, has showed surprising power this year.

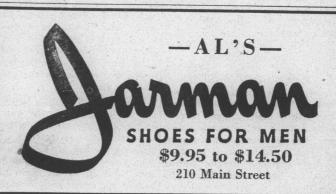

The Santa Rosa Bearcubs continue to run roughshod over all opposi-tion, and they are considered a cinch to cop the Northern Division bunting. Marin J.C. may prove to be the "giant killer," however.

Russ Bohlke was elected honorary captain for the California Bears against the U.C.L.A. Bruins last week.

Bohlke was a stand-out on the Hartnell football and basketball teams. He was awarded the alumni trophy for his outstanding play in the Salinas-San Francisco 1947 grid contest. Numerous selectors chose Bohlke on all-conference teams in both sports.

In the pregame ceremonies Russ was wheeled to the center of the field by California players to flip the coin for the Bears. His presence proved an inspirational lift for the Bears who had vowed they would vin the U.C.L.A. clash for him. And they didn't let him down.

Ironically, Bohlke is now attending classes at U.C.L.A. However, he is still the Bears' most loyal and ardent follower.

Operetta Leads Relate Stories

By PHYLLIS WILLIAMS

Offstage, Lucifer Lucas, the Mephistopholes of "The Hither and Thither of Danny Dither," is really not such a bad guy. He's Dean Stamatopoulos, sophomore drama major here.

Dean has had experience in the army where he was with the special services division and toured the northwest and Canada in the Sixth Area Ground Force's all-soldier show, "Hip, Hip, Hooray!" in 1948 and 1949. He entered this branch of the service in hopes of learning about stage design, but was offered one of the leads in the show, and how could he refuse?

After completing a year here, Dean tentatively plans to go on to San Jose as a drama major. Perhis interest in the drama field can be explained in part by the fact that his father was in the theater business.

But what about the boy who's got the hither and thither?

Don Schrump, alias Danny Dither (the HERO), hails from Gilroy. Danny, no, Don, is the proud pos-sessor of a \$100 music scholarship from Gilroy high. Almost surpris ingly Don is not a music major here. He is instead concentrating on Spanish as he plans to teach foreign languages in the future, with, he hopes, "music on the side."

It was in about the eighth grade that our hero first began to be really interested in music, and he was in the high school choir for his four years there. He also appeared in three variety shows sponsored by the a cappella. Don has sung for his supper and a few luncheons at meetings of the various service clubs in Gilroy.

After his two-year stretch here, Don plans on two years at San Jose State and then one at University of California. He figures that he'll probably use his scholarship along about his junior year, as it is good for any college when he wants to use it.

Some of Don's hither and thither includes his very recent appearance before the Salinas Kiwanis Club, and his scheduled stint in a charity show sponsored by the Gilroy P.T.A. He's managed to take enough time out to express his feelings about Hartnell, "It couldn't be better."

Incidentally, after all this ,remember the date for "Danny Dither" is December 1-2.

Oh, the low roar just heard is from Santa Cruz, from whence came our devil.

CAMPUSOLOGY

It's really amazing what college clubs can do once they've set their minds to it. For example, the Men's Club has a female honorary vice-president. Miss Pat Wagoner was helping some of the men decorate the gym for the Men's-Club-sponsored dance some time back.

harron and a filter and a filte

Some of the fellows in charge of the affair thought she was being rather bossy for a helper. Evidently Mr. Carlisle did too for he said that she ought to have some sort of title to legally wield such authority. So, then and there he appointed her honorary vice-president. Mr. Carlisle is Men's Club advisor so this makes it official. Or does it?

Strange things are always happening at football games it seems. Mr. Dufour and Mr. Anselmo, who both have been teaching here for quite a while, found out at the San Mateo game that they both had gone to San Mateo at the same time. They knew mutual friends at the college but did not know each other.

Doormen at the Ski Club dance had quite a time with individuals who were trying to get in for free. In other words, trying to crash the party. Perhaps the most persistent of these were Miss Betty Lee and Miss Dee Fosselman. Come to find out, they were members of the Ski Club publicity committee.

Ken Koenig celebrated his birthday last Saturday by going to see "Angel Street." Ken is still pretty spry for his age—even though he is 23. He received a really nice watch and a flat tire after the play for presents. His mother gave him the watch. He still wonders who gave him the flat tire.

Out raising Cain Halloween night were Pat Jones, Barbara Stebbins Karen Habert, Margie Mathers, Betty Parks, and Robin Lowry. They went to the Hawaiians' house and proceeded to soap the windows, but were trapped in the act. The house owners do not care for cleaning soaped windows it seems, for they made the girls clean up their "dirty work." Pat Jones was lifted bodily and scrubbed against one of the win-

Lost and Found

Lost any books, shaving kits, blankets, glasses, gloves, or other such items around school lately? If so, then chances are it may be found in the lost and found located in the main office. These articles have been turned in and never been claimed by the persons who lost them.

The secretaries in the main office are in charge of the lost and found, and any student who has lost articles should see them about claiming the lost articles. Students to help the owner in finding them. the program to be presented.

Camera to Tank

Last week it was reported in The Panther Sentinel that the Men's Club had purchased a 35-mm. camera. The right information is that they have purchased a day light loading tank, used to load the camera which they do not own.

The club has arranged to purchase film at a reduced rate for all students and faculty who have a 35-mm. camera and wish to take pictures.
